CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

CERTIFICATE OF LISTING

Issued To: EAGLE WATER TREATMENT

Effective Date: March 2024

File Number: WP-11114

Revised Date: December 2025

Product: Drinking Water Treatment Systems

Void After: March 2029

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

The product shall be permanently marked with the manufacturer's name or trademark. The product shall also bear the model designation, claims verified and substantiated by test data and the IAPMO Classified® mark.

Drinking water treatment systems or components shall be marked with

- (a) the manufacturer's recognized name, trademark, or other mark; or
- (b) in the case of private labelling, the name, trademark, or other mark of the customer for whom the fitting was manufactured. Markings shall be made by a permanent mark or a permanent label and shall be visible after installation. When it is impractical to affix the information specified in Items (a) and (b) directly to the product, the information shall be included in the literature accompanying the product.

Characteristics:

The point-of-use and point-of-entry systems addressed by this Standard are designed to be used for the reduction of specific substances that may be present in drinking water (public or private) which are considered health hazards.

Certification demonstrates that all materials safety and structural integrity (as applicable) requirements have been met.

To be used in accordance with the manufacturer's instructions.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
